matter was referred to Councillor McCuskey. Carried.

Distrains: Opinion of Counsel was read from Messrs McDonald Weaver and Steer in the matter of the service of distrains by registered mail which stated that this method was not sufficient to hold chattels if contested and stating that it would be quite possible for this to be made legal by an amendment to the M.D. Act.

'C' Squadron Prize Winners At Sarcee Camp

"C" squadron, 19th Alberta Dragons has returned from the annual training camp at Calgary and both men and horses look none the worse for their experience. It is a remarkable thing that in the short space of nine days every member of 'C' squadron gained in weight—a circumstance that speaks well for the way they were treated.

The units in camp were the 2nd Alberta Mounted Rifles; 19th Alberta Dragons and the 15th Light Horse. These regiments form the 5th Mounted Brigade, under command of Colonel C. Y. Weaver, D.S.O., formerly officer commanding the 19th. The 19th was under the command of Lt. Col. P. E. Bowers of Edmonton with Major H. Straehlan, V.C. M.C., second in command.

In addition to the 5th Mounted Brigade, other units in camp were 'B' squadron of Lord Strathcona's Horse (R.C.) and 'C' Battery of the Royal Canadian Horse Artillery, both the last named units being of the Permanent (Continued on page three)

Where To Vote

In connection with the election to be held on Wednesday next July 16th the following are the polling places: Artland district at T. Kitching's store Dept. Ret. Officer W. J. Foran, Marsden; J. G. Bruce's office, Dep. Ret. Officer H. B. Poling-horne. Sifton K. W. Coe's Residence (NW14-44-28w3) Dep. Ret. Officer K. W. Coe. Neillburg, Leach and Saul's office.

employment was experienced from the musical ability of the members. A fine day, good sports, baseball excitement (especially from the Chauvin visitors), a booth with good things under capable management all tended to make the picnic a record breaker.

Wainwright Wins First Money, Canaries Defeat All Comers, Old Men Win Horseshoes, Chauvin Sports

Chauvin Sports day, July 4th opened fair and bright after a welcome shower the previous evening and by the noon hour there was already a large number of visitors in town, who had motored in from all parts of the surrounding country, whose number was greatly increased by arrivals on the mid-day train.

Baseball, the ever popular item rivals the other sports. Mr. J. R. on the program, found several rivals claiming the interest of the public, chief of which perhaps was the basketball. The Horseshoe contest attracted many entrants and remarkable to note the younger contestants were wiped off the slate first leaving the elders as winners.

The list of athletic events was more complete than in former years and many of them were very keenly contested by the entrants.

W. C. Mankie practically had the horse races to himself there being nothing on the field that could touch his horses for quality.

As usual baseball formed one of the great attractions of the Chauvin Sports, the following teams entering the lists for the \$160.00 offered in prize money. Neillburg, Allister, Maclean Provost, Wainwright and Chauvin. Edgerton and Viking had also notified their intention of competing but failed to put in an appearance on the eventful day.

FRENCH CANADIAN PARTY VISITS HERE

Chauvin was honored Monday forenoon by the visit of a party of 120 French Canadian Priests and newspaper men, who arrived Monday morning.

The object that this party have in view is to ascertain how far it is possible to divert the flow of emigration now flowing to the States to Western Canada. In pursuance of this object a number of points in Ontario, Manitoba, Saskatchewan and Alberta are being visited.

Owing to their arrival some two hours of their scheduled time reception were somewhat disorganized but all who could reach the station in time helped in their entertainment and answered the many questions of the visitors.

Mgr. G. Lepailleur of Montreal, in the course of a very inspiring address referred to the historical and treaty rights which gave the French and English languages equal legal standing in Canada and urged all to work in harmony for the preservation of the French language. He described Italian as the language of the birds, German as that of the horse, English as that of business, and French the ideal and language of diplomacy.

Very favorable impressions of this district were expressed by several members of the party who gave short addresses immediately prior to their return to the train which was waiting to convey them to their next point of call, Prudhomme, Sask.

The following are the pupils of the Chauvin public school who have successfully passed grade VII exams. and are promoted to grade VIII: Irene McCrea; Donald Folkins; Elmer Hass; Raymond D'Albertanson; Harter Saul.

EDGERTON DECIDES TO HAVE A FAIR

The Edgerton Agricultural Society has decided to go ahead and hold a fair this year. At the time of writing it is impossible to state the date, arrangements for which are being made with the department, and will be announced at an early date.

Manitou Lake Picnic Big Success

The Eighteenth Annual Picnic proved that this old establishment has lost none of its popularity, even the gate receipts more than covered the expenses with a small balance over despite the fact that the prize money was very considerably increased. The various committees had all their work well planned and nothing went amiss. The baseball competition drew five entries: C. Knife, Marsden, Neillburg; Chauvin. The last named was lucky enough to draw a bye which proved valuable later on. Unity defeated C. Knife and Marsden defeated Neillburg in the first round. The second round found the Chauvins drawn up against Marsden who had not had a grueling contest with Neillburg, Chauvin being fresh easily won and in the final they beat Unity and thus took first money.

The sports were run of and the children had a great time. The Boys Camp under the leadership of R. G. Bruce were under canvas on the grounds all looking forward to a week of pleasure and instruction (this will be dealt with next week). The enjoyment of the Unity brass band proved very successful and great (Contd. at foot of next column)

'C' Squadron Prize Winners At Sarccee Camp

(Continued from page one)

Force.

'C' squadron proceeded to To-field, being provided with a special passenger coach and a stock car, where they were met by the other two squadrons of the regiment from Edmonton. Although the hour was late, the boys did not turn in until they had greeted their many old friends. That 'C' squadron is popular with the rest of the regiment was shown by the way our car was stormed by officers and men eager to shake hands with their comrades from Chauvin.

The regiment detrained at seven o'clock Friday morning, and a piping hot and substantial breakfast was served at the station before moving off. Arriving in camp about ten o'clock the unit speedily got settled in its lines and active training started.

On Sunday morning a Church

parade for all units in camp was held, and an address delivered by Rev. Canon Caruthers, of Edmonton, chaplain to the regiment, who remained in camp during the full period of training.

Gen. Bell, C.M.G., D.S.O., inspected the troops on Friday, 27th, and expressed his satisfaction with the way the various manoeuvres were carried out. A very creditable showing was made notwithstanding the fact that frequent showers rendered the work more difficult than usual.

The sports which were to have been held on the last day of camp had to be cancelled owing to the weather. The prize for the best tent in the regiment was awarded to 'C' squadron, the winning tent being that in charge of Lee-Corpl J. Harder. Third prize in this competition also went to 'C' squadron being won by the tent in charge of Corpl Hiron. In addition, Corpl Hiron won the 2nd prize in the regiment for the best turned out man and horse. The results of musketry have not yet been announced, but it is expected that Chauvin will uphold last year's record as the best shooting unit in camp. It will be remembered that at last camp Sergt W. Johnston carried off first prizes for the best shot.

It will be seen from the above that the local boys have in a large measure come up to Kipling's admonition:—

"Shoot straight: Keep Clean: Fear God: Honor the King."

There are still a few vacancies for recruits in 'C' squadron. It is the intention to hold smokers and entertainments during the fall and winter. The squadron has now permanent headquarters in the G.W.V.A. Hall, which has been leased by the Department of National Defense. The Canadian Militia has many a time in our history justified its existence, and although small in numbers, it provides a nucleus around which, in the event of a sudden danger, a system of defense can be established.

Carried.

Preparing For Fair

A meeting of the Chauvin Agricultural Society directors was held in Mr. A. B. Keith's office last Saturday afternoon.

The main item on the agenda were matters relative to the Fair day, many details of which were discussed and decided.

It was decided to rebuild the hog and sheep pens, an all are invited to attend a bee for this purpose next Saturday morning and afternoon.

Special competitions will be held at the Fair, guessing the weight of an animal and hauling contest. Details of which were left in the hands of Dr. H. G. Folkins to arrange.

Wedding

The marriage of Mr. Sidney S. Harris to Miss Evelyn Kirk, of Vancouver, took place at Seattle on June 16th. After a two weeks vacation the happy couple returned to their home in Seattle, where Sid. is in the barber business. Sid is well and favorably known in this district, having come to this district as quite a small child and residing here with his parents until about a year ago. He may be assured that we all wish him and his the best of fortune, long life and happiness.

The next meeting of the Edin-glasie U. F. A. will be held Thu. July 10th.

COPY RESOLUTION

WHEREAS under the provisions of the Tax Recovery Act, much time necessarily elapses before the tax arrears are realized upon so as to be of any use to any Municipal District.

AND WHEREAS the method of collecting by distraint is fully provided for in section 288 of the Municipal District Act, and owing to the drastic methods of collection adopted by Machinery Companies and Banks—and the taking of crop leases by Mortgage Companies making it impossible to collect arrears in any other way than by distraint,

AND WHEREAS the method of collection by distraint is costly, payer of arrears under the present wording of section 288.

AND WHEREAS it is feasible to so amend section 288, as to make this method much less costly by levying service of distraint by prepaid registered mail, instead of personal service, thus saving all mileage charges and service fees.

NOW THEREFORE BE IT RESOLVED that section 288 of the Municipal District Act be amended by adding after sub-section (L) sub-sec. (la), as follows:

(a) Service of a distress warrant by pre-paid registered mail shall be considered a good and valid distraint and a sufficient levying, and shall bind all growing crops, grain, and all sundry goods and chattels of the Owner or occupier of the lands mentioned in the distress warrant or against all creditors and for all purposes whatsoever and shall be sufficient to hold and bind the said crops, grain and all other goods and chattels. And shall be and continue to be in full force and effect at all times from and after the date of issue until the 31st day of March following unless sooner withdrawn in writing by the Officer issuing the same; and that, in describing such crops, grain and other chattels, it shall be sufficient if the said warrant claims to bind the whole of the growing crops upon the said land, together with all grain, houses, cattle, machinery and all other goods and chattels upon the

said lands and in the possession of the Owner or the Occupier as at the date hereof."

(b) It shall be immaterial whether the Officer issuing the distress warrant places a man in charge or not—and it shall not be an essential factor to the validity of said service and levy to obtain the signature of the person in possession of the subject matter of the distraint.

Weeds: Mr. Meurin appointed Mr. L. Palmer as Weed Inspector for Division No. 1.

Mr. Craig, Provincial Weed Inspector attended from the Dept. of Agriculture to explain to the Council the new program in regard to weeds now adopted by the province. The province has been divided into 14 districts and one inspector appointed for each district. The work of each inspector is rather of an educational nature than an actual inspection of weeds. The idea is to endeavor to educate the farmer so that he will make special efforts to destroy his own weeds without being compelled to do so by the authorities. The efforts of the department are especially directed against the following six weeds—Sow thistle, Blue lettuce Wild oats, Stink weed, Vained dock and Canadian thistle. Tentative arrangements have been made with the Secretary of the Chauvin Agricultural Society for the holdings of meetings in the district. Mr. Craig will attend each meeting, and the following centers have been named for the holding of the same—Chauvin Village, Ribstone hamlet, Edgerton Village. Local weed inspectors should endeavor to have the owners of and to realize the danger of allowing weeds to spread.

Cinders: Secretary was instructed to write again in regard to the cinders ordered for Ribstone.

Open Wells: Mr. Tunney reported that the open wells reported at the last meeting had been attended to.

Accounts: The following accounts were presented, and Mr. McCluskey moved that same be paid—Richardson Co. \$32.00; \$10.50 and \$12.25; Western Steel Co. \$76.00; Provincial Training School (Furlotte) \$30.00; O. MacDonald Weaver & Steer, \$5.00; Chauvin Pharmacy \$15.25; V. Dallyn, Pound fees (cxees) \$34.15; Surveyor General, .90; Kennedy & Co. \$6.95; Wilson Stationery Co. \$7.50; Western Municipal news, \$16.80; J. A. Montjoy, \$8.25; Sundry Freight, \$4.40; Dr. Folkins \$98.00; Milne Bros. \$2.40; \$8.22; \$1.51; \$23.03 and the following labor time sheets and grading accounts: Div. 1, \$326.60; Div. 2, \$1033.50; Div. 3, \$588.25; Div. 4, \$913.40; Div. 5, \$603.50; Div. 6, \$65.20; Chauvin Chronicle \$54.25.

Salvation Army: Letters read from the Salvation Army asking for a grant of \$50.00 towards the Rescue Home fund. After due consideration Mr. Tunney moved that the sum of \$50.00 be granted to the Salvation Army Rescue Home Fund. Mr. Lang moved as an amendment that the sum of \$25.00 be granted. Voted for the motion Reeve Ferguson and Mrs. Tunney, Sewell and McCluskey; against: Cirs. Lang and Meurin. The Reeve declared the amendment carried.

Business Tax: Letters were read from Canadian National

Railways in regard to Business Tax Levy, and the matter was left over to another meeting pending further correspondence. On motion Mr. McCluskey, Cried Letter re McMurrary Tar Sands filed on motion Mr. Lang.

Hospital Report: filed for the present on motion Mr. Sewell.

Road Divisions: Reeve Ferguson reported having made settlement with Mr. Wohl for road diversion on N. W. 32-44-1-4 for the sum of \$20.00, and the sum of \$3.95, credit of taxes for the time land had been used. Mr. McCluskey moved that this be approved. Carried.

Wages: Secretary reported he had been requested to bring before the Council the matter of wages for man only, some ratepayers being of the opinion that 30cts. per hour was too little for a man holding scraper. Reeve Ferguson was in favor of 35cts. per hour for this work. Mr. Sewell stated that Merton M.D. was paying \$1.00 per day more all round than this M.D. Mr. Lang moved that this be approved for a scraper holder, and was of the opinion that if a man was any good he could manage without a scraper holder. Mr. Ryall said he defied any man to manage four horses and hold a scraper. Mr. Lang moved that \$3.00 per day be the rate for scraper holders but suggested that some other member of the Council should move an amendment that any other Mr. Clug could pay more if he liked. Reeve Ferguson moved an amendment that 35cts per hour be the rate paid for man only for every kind of labor, and that this be paid from the loan and that the previous resolution passed on 9th May 1924 as to rates of pay be amended so as to read, "For man only 35cts. per hour." There voted for, Reeve Sewell, Tunney, and Meurin; against, Mr. Lang.

School Tax: St. Jean S.D.: The matter of the rate fixed for the current year for St. Jean Baptiste S.D. was brought up by Mr. Meurin who stated that some of the ratepayers had complained to him that the rate fixed was higher than necessary. Secretary went into the figures with the Council and explained the method by which the rate was arrived at.

Excess Pound Fees: Statement was presented from poundkeeper W. O. Harris showing pound

fees due \$22.00, sale of stallion impounded having proved abortive. Evidence being produced to the Council to the effect that the animal in question was not worth the fees due, an order was made for the destruction of the animal and for the payment of the fees on motion of Mr. Sewell. Carried.

Agricultural Society: Dr. Folkins and Mr. C. Ryall attended as a deputation from the Chauvin Agricultural Society to ask for a loan from the Council of from \$300 to \$500. This was fully discussed, the Secretary stating in reply to a question, that if this was done it would have to be treated as a grant and not as a loan. The society were willing to give security on the grounds and buildings, and would be able to repay most of the account before the end of the financial year. Mr. Lang was under the impression that this request if complied with would be made an issue at the annual ratepayers meeting and suggested as an alternative, that the prize money could be held up until the Provincial grant was received by the society. Mr. Ryall stated that this would be the easiest way he knew to kill the Society. Mr. Sewell moved that the Council loan the Society what was needed if it could be repaid before the end of the year. Mr. Meurin reminded the Council that this was illegal and Mr. Sewell then withdrew the motion. Mr. Lang moved that as the Municipal Districts Act did not authorize the Council to loan money other than as to certain well defined matters, that the loan as requested be not granted. Carried unanimously.

Dr. Folkins then thanked the Council for their consideration and that he fully realized the position in which the Council was placed by the provisions of the Act.

Mr. McCluskey moved that the meeting be adjourned and the next meeting be held at Chauvin on Saturday the 2nd day of August at 1.30 p.m. Carried.

Mr. Campbell of the 'Scottish Harvesters' fame, has returned to this district with several other members of the party. Mr. Campbell is at present at the Tuckwell farm.

Chauvin Sports A Great Success

(Continued from page one)

The first game was staged between Chauvin and Neilburg, in which the home team romped with a heavy lead in the first three innings. In the fourth and fifth Neilburg taking courage from a run in the third gained their wind sufficiently to prevent their opponent until the final innings when moments increasing their lead won the final innings when the home team added another five. Chauvin 3 1 2 0 0 5—11
Neilburg . . . 0 0 1 0 0 0—1
Neilburg: Leach, McKenzie, Slocane, Gibbons, F. Claxton, Davidson, S. Claxton, McCluskey, Robertson, Cayford.

Chauvin: Fontaine Paquette, Dundas Miller, Stewart, Cahill, Dodge, Wilde, Dell, Scott.

The second game proved a great victory for Wainwright over the Provost boys after a struggle in which the fourth innings proved of the greatest interest. The railroaders having got three in the first were then three runs behind. This position they reverse-

ed by adding five to their score and another five in the fifth whilst preventing the southerners from adding to their score. Wainwright . . . 3 0 0 5 5 2 —15
Provost 0 1 1 4 0 0 0—6
Wainwright: Cheetham, Johnson, Elder, Horton, Ganderton, Long, Bean Carscaden, Turcotte, Provost: Schumacher, Hartzman, Thorpe, M. Schumacher, Bromling, P. Schumacher, Hann, Russell, Sames.

Allister and Macklin contested the third game in which Macklin gained the heavy end of the score of 8-1.

Allister: Vanance, Thompson, D. Vanance, W. Brown, O. Cameron, F. Brown, Ault, Jacobs, C. Cameron.

Macklin: Lissgard, C. Allenbach, Batey, Brown, Chas, Allenbach, Lapp, Wilkie, Schrumann, P. Allenbach.

Macklin failed however to inflict a defeat upon Wainwright in the semi finals because the railroaders batted the pitcher all over the lot in the second innings. After changing pitchers the game was a fine display of ball in which both teams each added only one run.

Wainwright . . 0 9 0 1 0 0 0—10
Macklin 0 1 0 0 0 0 0—1
The final between Wainwright and Chauvin was a continuation of good ball in which a solid succession of gone eggs were made with the lone exception of the third innings in which Wainwright obtained the winning two, whilst Chauvin with two men on the bases came within an ace of scoring two also.

Wainwright 0 0 2 0 0 0 2-2
Chauvin 0 0 0 0 0 0 0—0

BASKETBALL
The first game between Chauvin and Ribstone was played with speed and style, being the best game Ribstone has played this season. Although the score was 18-8 for Chauvin, the play was not one sided. Referee, Mr. B. Miller.

Chauvin vs. Ribstone
Chauvin 6 4 8—18
Ribstone 2 6 0—8

The second draw being Wainwright vs. Salvador. Chauvin enjoyed a rest and watched a speedy scientific game. Salvador has great strength and combination. Wainwright also had good combination but the forward support was weak. It was good clean ball, resulting in a win for Salvador, score 10-6.

Wainwright vs. Salvador
Wainwright 0 4 2—6
Salvador 5 2 3—19

The final game between Chauvin and Salvador was the game of the afternoon. Both teams put up a strong fight, with hard fight, with strong play on both sides. The referee, Mr. Burton, had to watch his steps, and did so nobly. The game ended in a victory for Chauvin with a score of 9-3. The 'Canaries' as our home players were styled, earned their first money, as did Salvador the second prize.

Salvador vs. Chauvin
Salvador 0 2 1—3
